Random Fortnite skin

The first square in the random generator will show you a Fortnite outfit, such as 'cole', 'teknique', 'hyperion' or even 'sun strider' and 'malcore'. There are quite a lot of them, and most of them are really

awesome.

Random Fortnite glider

A glider is the tools you use after making the jump out of the party bus. The second square in the random generator will show you the Fortnite glider you can use, a few examples of them are: 'tie-dye flyer', 'royale dragon', 'cinder' and 'goalbound'.

Random Fortnite back bling

The back bling (back pack) is just a cosmetic item within Fortnite. There will be no benefit from it, besides that it looks cool when it's on the back of your character. You can really make a big entrance while carrying the 'keytar', 'flutterfrost' or the 'fusion orb' You will find your random back bling in the third square.

Random Fortnite pickaxe

Pickaxes are used as a harvesting tool. You can demolish all different materials and you can use it against your enemies when your out of ammo. Not only does the pickaxe looks very cool while taking down an entire building wall by wall, it also does finish your characters looks. Some of the axes like 'pick squeak', 'candy axe', 'bitemark' or 'batman pickaxe' are very rare or even legendary, but therefore are some of the best looking axes in the game. Your pickaxe will show up in the fourth square after generating the items.

Random Fortnite skydiving trail

A skydiving trail is just like the back bling a cosmetic item. There will be no benefit from it, but nonetheless very cool to show off with. Most of the skydiving trails are 'uncommon' or 'rare' as you probably know but there are some hidden charms among them, for instance 'holly and divey', 'glyphs', 'lava' and 'retro sci-fi'. Your skydiving trail is visible in the fifth square.

Random Fortnite wrap

A wrap is also just a cosmetic item, but wraps will give you a little bit more benefit within the game. Wraps will change the way your weapons and vehicles behave, and will give you that little bit of extra personal flavour in the world of Fortnite, my personal favourites are 'converge', 'callsign hornet', 'emotical' and last but definitely not least 'fright flame'. The last square will show you your random Fortnite wrap.
